

	<ul style="list-style-type: none"> ○ Sustainable Design and Construction ○ Permeable Surfacing ○ Homeworking ○ Local Green Spaces ○ Walking and Cycling ○ Renewable energy ○ Car Charging ○ Allotments ● Profile section: No changes needed ● Section 6 - add reference to Character and Design Statement ● Under 'Basic Conditions' it is stated that Neighbourhood Plans cannot contain policies specifically covering Crown Property (i.e. MoD land). JM and PM to revise NEP 2 and NEP 5 policies to conform. Biodiversity policy on MoD to be removed. ● PM to include reference to County Wildlife Area map in appropriate policies (e.g. Biodiversity). ● BEP3 (Building and Environment Policies) <ul style="list-style-type: none"> ○ ii) evidence (e.g. from HNS and population figures from Sites Report) to be included re. need for 'smaller units'. Evidence could be added to Profile - as a pie chart. Evidence needed for claim that extensions have led to more 3 and 4 bedroom houses in village. RJ to extract relevant information from Housing report. ○ iii) Remove 'now discredited...rather than the 20% discount...' section. ○ iv) Leave it in. ○ v) Remains. ● BEP7 Permeable surfacing - reword so not describing <i>how</i>. (RJ edited in meeting). Reference to <i>how</i> could be included in CDS. JeB to advise. ● BEP8 Homeworking: Take out C and D - move to context. Change text from the <i>how</i> to general statements, e.g: "<i>Developments that contribute to homeworking through the provision of dedicated workspace and include adequate telecommunications provision will be supported</i>" ● NEP 1 Landscape to incorporate some of NEP2 ● NEP2 Separate Green infrastructure and Biodiversity to allow separate policies on wildlife and landscape. JeB to advise further on what goes where. ● CP1 Traffic and Transport. Check WC Highways policy and need for transport assessment in planning applications. If present, quote here. JM ● CP2 Walking and Cycling. Leave it in ● CIL - JeB to advise if a policy relating to CIL use is possible. ● SEP1 Renewable Energy JeB to advise on possible wording which is in alignment with local and national regulations. JM to check Centre for Sustainable Energy documents and draft text. ● SEP2: Charging points Use JM's revisions. ● SEP3 Leave as is. ● CWBP1 - list of facilities to be included in policy grey box. ● CWBP3 - Allotment provision Use wording from JeB and add 'Will be strongly supported'. JM to look at strengthening pretext. ● Theme G Pre-ap. Wording from JeB considered - use 'Expected'. JeB to advise on its 'proportionate' use in time for PC meeting. ● Concept statement Include map of 4 areas - Colerne Airfield, Azimghur Barracks, SGS and existing housing area (MM). Agreed only a summary of the Concept Statement will appear in the plan. Full Concept Statement to be considered for approval at next meeting and will be an 'Evidence Report'. 	<p>JM PM</p> <p>PM</p> <p>JeB</p> <p>JeB</p> <p>JM</p> <p>JeB</p> <p>JM</p> <p>JM</p> <p>JeB</p> <p>MM</p>
6.	<p>Review of timetable</p> <p>10th March Version 6 as text - to be sent to SG (RJ)</p> <p>19th March V6 Draft Plan reviewed at SG meeting</p>	<p>RJ</p>

	<p>20th March PC are sent text of Draft Plan, including links, plus CDS.</p> <p>31st March PC extraordinary meeting to review draft plan to approve wording and process for reg. 14. SG members welcome to attend meeting. PC to be requested to ensure NP SG are the first to publish the draft Plan online.</p> <p>Following PC meeting: rewording, as necessary and RC and MM to prepare the draft for online and hard copy publication following Easter. Exact date depends on the need to await the outcome of any SEA on our sites.</p>	<p>RC MM</p>
