

Colerne Housing Needs Survey

The parish of Colerne is conducting a housing needs survey from 24 November 2025, closing on 15 December 2025. The survey is being led by Wiltshire Council on behalf of the parish council.

The aim of the survey is to determine the housing needs of the parish and to understand residents' attitudes to new housing development. The survey considers the need for both open market and affordable housing together with the need for adapted housing or housing with care or support. It will also help us to understand your views on new housing development in the parish.

If you live, work, or have a close family connection to Colerne, we would like you to complete the survey which is available at:
